Knowledge Adventure is pleased to announce they have brought back the "**School to Home**" promotion. From 4/1-12/31 schools will receive a free take-home CD for every license purchased and 50 CD's for every network purchased.\* So if a school purchases 30 licenses of JumpStart Advanced 1st Grade they will receive 30 home versions for their students & 50 home versions if they bought a network version! To make this as seamless as possible all orders placed during the duration of the promotion will automatically receive the free take-home CD's. There is nothing which needs to be done by you. It's that simple. If additional student take-home CD's are needed they can be purchased for \$10 each at time of original order.
